

## N.Y. Times Bestselling Author Returns to MJCCA

BRAD MELTZER PRESENTS NEWEST BOOK IN SPECIAL EVENT

### SPECIAL FOR THE AJT

**B**rad Meltzer, an American political thriller novelist, non-fiction writer, and TV show creator, is returning to the Marcus JCC of Atlanta for a special Prologue to the Book Festival of the MJCCA event on Thurs., Oct. 24 at 6:45 p.m., as he presents his newest book, "History Decoded: The 10 Greatest Conspiracies of All Time."

Brad Meltzer is the New York Times bestselling author of "The Inner Circle", as well as the bestsellers "The Tenth Justice," "Dead Even," "The First Counsel," "The Millionaires," "The Zero Game," "The Book of Fate," and "The Book of Lies." He is also the host of "Brad Meltzer's Decoded" on the History Channel.

Brad is one of the co-creators of the TV show, "Jack & Bobby," and is the Eisner Award-winning author of the critically acclaimed comic book, "Justice League of America."

"History Decoded," the novel, is an irresistible combination: Brad Meltzer, a born storyteller, counting down the world's most intriguing unsolved mysteries. Adapted from "Decoded," Meltzer's hit show on the History Channel, "History Decoded" explores fascinating, unexplained questions:

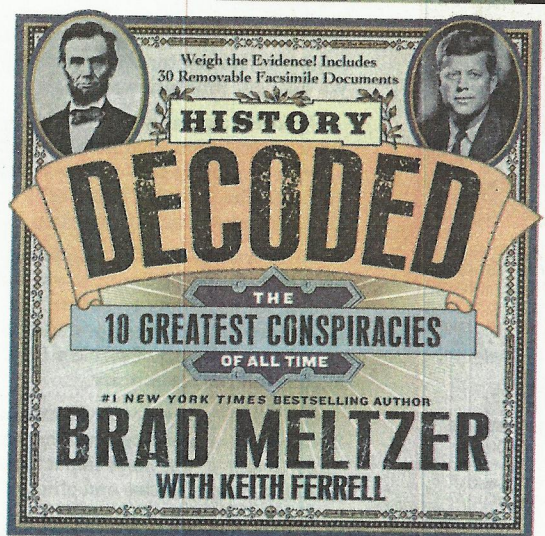

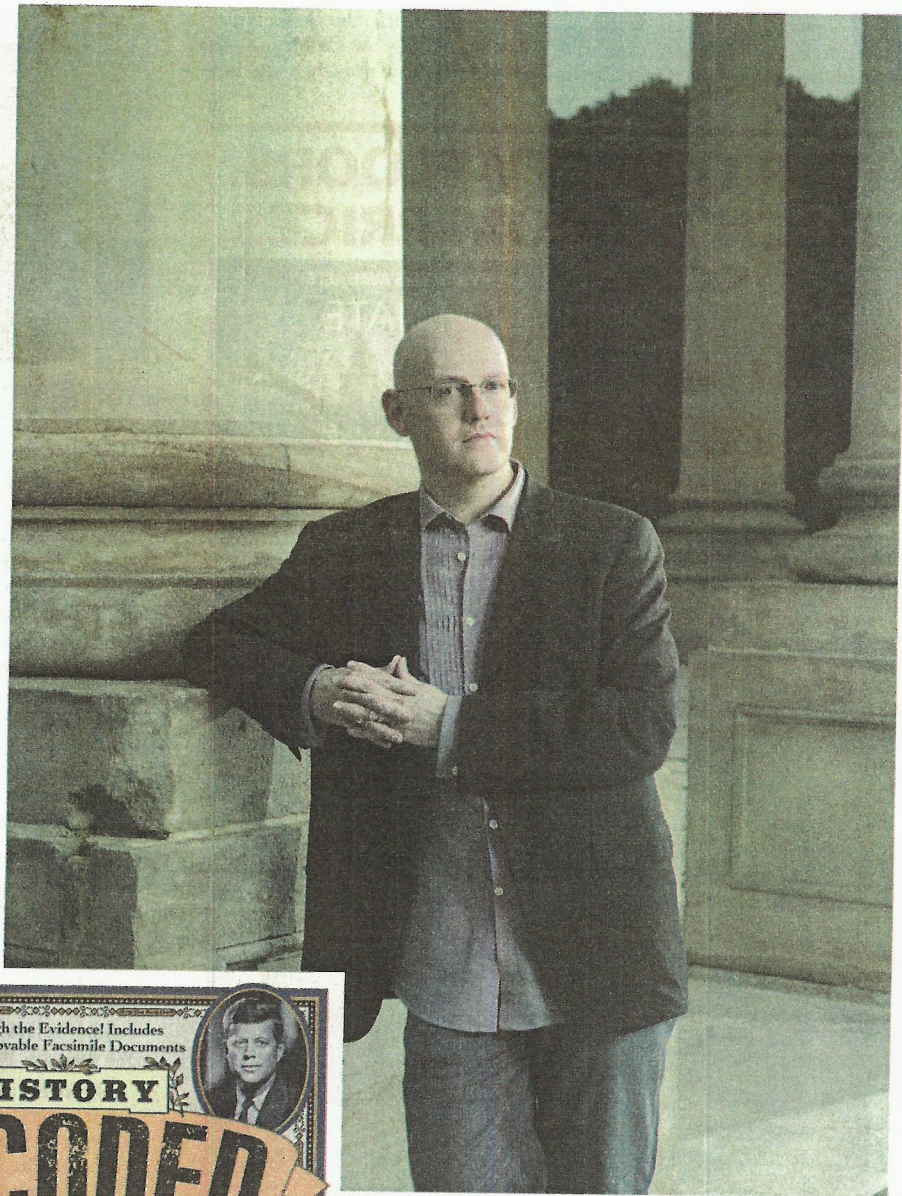

Is Fort Knox empty? Why was Hitler so intent on capturing the Roman "Spear of Destiny?" What's the government hiding in Area 51? Did Lee Harvey Oswald act alone?

Meltzer sifts through the evidence, weighs competing theories, separates what we know to be true with what's still - and perhaps forever - unproved; and in the end, decodes the mystery, arriving at the most likely solution.
